Tips for Dealing with Triggers

- Oftentimes, the best way to deal with a trigger is to avoid it. This might mean making changes to your lifestyle, relationships, or daily routine.
- Create a strategy to deal with your triggers head on, just in case. Your strategy might
 include coping skills, a list of trusted people you can talk to, or rehearsed phrases to
 help you get out of a troublesome situation.
- Don't wait until the heat of the moment to test your coping strategy. Practice!

Triggers

In this section, you will develop a plan for dealing with your three biggest In this section, you will develop a plant to triggers. Review your plan regularly, and practice each of the strategies.

Describe your three biggest triggers, in detail.

Describe your strategy for avoiding or reducing exposure to each trigger.

Describe your strategy for dealing with each trigger head on, when they cannot be avoided.
